3.1 - La creación de un espacio personal es vital para beneficiarse de los servicios ofrecidos al crear un sitio web y una Lista de Boda con ZANKYOU. Se le pedirá al Beneficiario que brinde cierta cantidad de información personal. Toda la información proporcionada por el Beneficiario a través de estos procedimientos certificados para obtener los servicios prestados por ZANKYOU debe ser veraz y exacta, y por esta razón, garantizar la autenticidad del Beneficiario. Si el Beneficiario se niega a proporcionar la información antes mencionada, entonces se le impedirá crear su espacio personal y, en consecuencia, su suscripción a los servicios mencionados a continuación también se anulará.

3.2 - Al crear un espacio personal con ZANKYOU, debe crear un perfil con un correo electrónico y una contraseña que el Beneficiario se comprometa a utilizar. Esta contraseña establece una garantía de confidencialidad de la información contenida en el espacio personal y, por lo tanto, se prohíbe al Beneficiario compartir esta información con un tercero. En consecuencia, el Beneficiario es la única persona responsable de su contraseña y ZANKYOU no será responsable del acceso no autorizado a la cuenta del Beneficiario.

ARTÍCULO 4- DESCRIPCIÓN GENERAL DE LOS SERVICIOS DEL SITIO WEB Y LISTA DE BODA

4.1 - ZANKYOU ofrece a los Beneficiarios, quienes celebrarán su unión matrimonial ("matrimonio"), una plataforma en la que pueden personalizar, organizar y estructurar un sitio web de bodas que les permite compartir toda la información que consideren útil asociada a su boda. El acceso al sitio web se comparte con los invitados del Beneficiario, estos últimos pueden hacer una contribución a La Lista de Boda si así lo desean.

4.2 - La creación de un sitio web de bodas es gratis. Los Beneficiarios pueden suscribirse a los servicios de pago llamados "Opciones Premium". Las descripciones de estas opciones son consultables en la sección "Premium" del sitio web del Beneficiario.

4.3 - La validez de la lista de boda está vinculada a aquellos que lo poseen. La web de la boda es gratis por un (1) año a partir de la fecha de registro. Sin embargo, a partir de este período, los Beneficiarios podrán abandonar su sitio web y registro que posteriormente serán archivados o ampliar su sitio web por un (1) año más adquiriendo la opción premium "extensión de servicio" por un precio total de 15 € por año. En el caso de que la Lista de Boda aún tenga fondos no transferidos en el momento del vencimiento, este dinero se utilizará para renovar automáticamente el sitio web y el registro por un (1) año más. Los Beneficiarios serán informados por correo electrónico de la próxima expiración de su sitio web, 45 días antes, y los 15 días antes de la fecha de vencimiento.

4.4 - Los Beneficiarios tienen la opción de limitar el acceso a su sitio web y Lista de boda agregando una contraseña. Depende de los Beneficiarios compartir esta contraseña con sus invitados. Al compartir esto, los Beneficiarios reconocen que ellos serán responsables del uso de su sitio web a través de sus invitados y la difusión de esta contraseña es enteramente su responsabilidad. El uso del sitio web por parte del invitado estará subordinado a la validación de las condiciones generales de uso del sitio web.

4.5 - Por defecto, se hará referencia a cada sitio web de bodas en los motores de búsqueda. Los Beneficiarios tienen la opción de solicitar que su sitio esté indexado de acuerdo con la sección de Confidencialidad de este acuerdo. Los retrasos de indexado o desindexado de un sitio web dependen completamente de los motores de búsqueda en cuestión. ZANKYOU no será responsable de este período de tiempo.

4.6 - ZANKYOU ofrece a los Beneficiarios la opción de solicitar "Los Tarjetones para su invitación de boda" de forma gratuita para compartir su sitio web y / o la Lista de boda con sus invitados. Esto está limitado a 100 tarjetas a través del sitio, sin embargo, es posible solicitar hasta 200 informándonos a través de help@zankyou.com o por teléfono. Una vez que se ha realizado esta solicitud, el período de espera es de cuatro (4) a seis (6) semanas. Una vez se envía la solicitud, la demora en recibir estas tarjetas dependerá por completo del servicio postal. En el caso de un error no responsable ante Zankyou basado en el contenido o el diseño de las tarjetas o la dirección proporcionada, se enviará un nuevo pedido, las tarifas de este servicio se cargarán a los Beneficiarios.

4.7 - Es por defecto que el invitado se inclinará a pagar los costes de "Tarjeta de felicitación física" mientras hace una contribución a través de la Lista de Boda. La "Tarjeta de felicitación física" se envía al Beneficiario dos (2) semanas después de la fecha de la boda, siempre que hayan confirmado su dirección postal, e incluyen, entre otros, los mensajes impresos enviados por los invitados que decidieron participar en esta opción. Los importes de "Tarjeta de felicitación física" son de 2,99 € por contribución y se cobran al invitado. Aquellos que no deseen participar en esto deben desmarcar esta casilla y pueden solicitar un reembolso o cancelar esta opción dentro de los siete (7) días posteriores a la realización de este pago. Los Beneficiarios pueden anular la selección de esta opción en su sitio web en "Configuración" de su Lista de Boda para que esta opción no se marque automáticamente de manera predeterminada cuando los invitados hagan contribuciones. En el caso de que el Beneficiario desee recibir los mensajes que dejan sus invitados que no han participado en este, pueden pagar la suma correspondiente de la nueva solicitud de los mensajes restantes.

ARTÍCULO 5- CREANDO UNA LISTA DE BODA

5.1 - El servicio ofrecido por ZANKYOU permite a los Beneficiarios insertar una Lista de boda en el sitio web de su boda. ZANKYOU tiene un catálogo de ideas de regalos disponibles para los Beneficiarios del cual pueden usar única o parcialmente y mezclarlo con otros regalos que han creado en su registro. Las cantidades, fotos y descripciones en el catálogo no son contractuales. ZANKYOU no será responsable de la disponibilidad o de las no conformidades de las ideas de regalos presentadas en el catálogo. Los Beneficiarios también pueden crear sus propias ideas de regalo y agregarlas a su Lista de Boda. En este caso, el Beneficiario deberá agregar una foto, una descripción y un precio al regalo que han creado. ZANKYOU no será responsable de ningún derecho de propiedad intelectual que pueda derivarse de las descripciones mencionadas y / o las fotos de las ideas de regalo agregadas por los Beneficiarios, así como de su existencia.

5.2 - En el momento de inscripción en Zankyou o bien posteriormente al activar la lista de bodas, los Beneficiarios de la lista tendrán la posibilidad de elegir entre dos tipos de lista: la lista de 100% CASH y la lista UN&DOS en colaboración con Bankia. En el caso de que los Beneficiarios elijan la opción de lista UN&DOS, aceptan que tendrán que contratar una Cuenta Un&Dos con las tarjetas de débito y multiacceso con Bankia, dado que el servicio de Zankyou se realizará a través de dicha cuenta. Respetando en cada momento las disposiciones de la Ley de Protección de Datos vigente.

5.3 - En el caso de que los Beneficiarios opten por la lista UN&DOS, los beneficios que recibirán los Beneficiarios serán los siguientes:

- Lista de boda gratuita hasta los 3000€, después se aplicará únicamente el (1%+1€) sobre la suma regalada. Los Beneficiarios pueden elegir si asumir ellos dicho coste por gestión, o que lo asuma el Contribuyente.

- 50€ de regalo de bienvenida. Este regalo sólo será canjeable si cumple con las siguientes dos condiciones:

1. Tener la lista completamente activa y validada en Zankyou.
2. Tener la cuenta UN&DOS validada en BANKIA.

- Tarjeta de débito contactless con seguro de cancelación de la boda incluido.

- Página Web con productos Premium de Zankyou (Transferencias gratuitas ilimitadas, diseños premium, galería PRO y chat de ayuda a invitados).

El uso de las sumas pagadas en la cuenta UN&DOS se rige por los términos y condiciones de Bankia. Estos prevalecen sobre los de Zankyou. En todo caso si por cualquier razón se opta a lo largo de la recepción de los regalos cambiar de nuevo a la lista 100% CASH, se tiene que tener en cuenta que esto conlleva una penalización del valor del comisionado correspondiente. Se aplica una transferencia en negativo por todas las comisiones ahorradas en la Lista UN&DOS. Los cambios de los comisionados de la lista 100% CASH a la lista UN&DOS tiene la siguiente particularidad. Se aplica el 1%+1€ a partir de los nuevos ingresos, no aplica a las anteriores sumas recibidas.

ZANKYOU garantiza la seguridad del pago y enviará al invitado un correo electrónico a la dirección utilizada al realizar el pago, informándole de los detalles y la referencia del pago que ha realizado. La contribución total hecha por el Contribuyente solo será consultable para los Beneficiarios.

6.2 - Los Beneficiarios recibirán un correo electrónico de notificación cada vez que un Contribuyente haga una contribución a su Lista de Boda. Los Beneficiarios serán responsables de verificar la identidad de los Contribuyentes en su sitio web y de garantizar que los pagos recibidos sean coherentes con el servicio propuesto por ZANKYOU. Los Beneficiarios podrán rechazar las contribuciones poniéndose en contacto con ZANKYOU, en cualquier caso, la suma, con los costes bancarios deducidos, será reembolsada al Contribuyente, que será informado del rechazo de su contribución por parte de los Beneficiarios.

6.3 - Las donaciones hechas por los Contribuyentes se mantendrán en la cuenta bancaria asociada al sistema de pago de LEMON WAY. Esta cuenta bancaria solo se utilizará para recibir estas contribuciones y para realizar transferencias a los Beneficiarios. LEMON WAY garantiza, en todo momento, la gestión y el control de todo el flujo financiero del servicio de Lista de Boda de ZANKYOU.

6.4 - En la lucha contra el fraude y el blanqueo de dinero, las contribuciones hechas con tarjeta bancaria estarán sujetas a un período de validación de cinco (5) días. Durante este período, la contribución se etiquetará como "en espera de validación" y no podrá ser transferida.

6.5 - El Contribuyente se beneficiará de un período de retractación de cinco (5) días desde la fecha del pago. La solicitud de un pago reembolsado debe enviarse por correo electrónico a help@zankyou.com. Los costes generados por este reembolso se deducirán del reembolso total. En caso de que los Beneficiarios hayan utilizado la totalidad o una parte de la contribución, la solicitud de reembolso será rechazada y los Contribuyentes deberán estar en contacto con los Beneficiarios en relación con este tema, sin la intervención o participación de ZANKYOU. Los apellidos de los Beneficiarios se muestran en su sitio web, incluidos los datos de contacto del invitado al realizar un pago. ZANKYOU no será responsable de ningún error cometido en una Lista de Boda. ZANKYOU y sus trabajadores y gerentes no estarán involucrados.

6.6 - En el caso de que una contribución resulte ser fraudulenta o ficticia (un cheque sin fondos, transacción realizada con una tarjeta cancelada...) o no finalizada (transferencia o cheque no recibido) ZANKYOU informará a los Beneficiarios. La contribución se cancelará y no se enviará a la cuenta de los Beneficiarios. ZANKYOU y sus empleados no participarán y no serán considerados responsables.

7.2 - Una vez que se completen las condiciones requeridas, ZANKYOU informará a los Beneficiarios que su cuenta bancaria ha sido asociada con éxito a su Lista. A partir de este momento, los Beneficiarios podrán realizar transferencias en su sitio web desde su Lista de Boda Zankyou a su cuenta bancaria asociada. Esta suma estará compuesta exclusivamente por las contribuciones hechas en su cuenta ZANKYOU en el momento de la solicitud. La modificación de la cuenta bancaria asociada solo será posible siguiendo el mismo procedimiento explicado en la sección anterior.

7.6 - En el caso de que uno de los Beneficiarios se enferme o muera antes de haber cumplido con todos los requisitos establecidos en el párrafo 1 de este artículo, ZANKYOU enviará dos cheques correspondientes al 50% del importe recibido: uno al otro Beneficiario vivo y el otro a quien tenga tutela, a saber, el heredero legal del beneficiario fallecido o declarado inválido. En el caso de que ambos Beneficiarios mueran, ZANKYOU mantendrá la suma de la cuenta conectada a la Lista de Boda hasta que sea reclamada por los herederos legalmente probados de los Beneficiarios. En el caso de que ambos Beneficiarios no estén sanos, esta solicitud será llevada a cabo por aquellos a cargo de su tutela.

The Account Holder may authorise a third party, either in writing or on a durable medium, to communicate these documents to LEMON WAY on their behalf. They will use the Open an Account form to indicate the legal name of the trading company appointed for this purpose. LEMON WAY reserves the right to request any other document or additional information that may be required to carry out the necessary checks and ensure compliance with legal obligations, including those involving anti-money laundering.

The Account Holder accepts that the Partner Website may be used to send these documents to LEMON WAY by email (emails sent to justificatif@lemonway.com), by digital transmission and upload onto LEMON WAY's computer systems, or by post to the address of the headquarters indicated on the first page.

3.3 - Terms of signature of the Framework Agreement

The form for opening a Payment Account must be signed by the Account Holder after they have read and understood the terms of the Framework Agreement. In doing so, the Account Holder may either insert their handwritten signature on a printed version and send it to LEMON WAY's headquarters by post, or use the electronic signature module provided on the Partner's Website. However, if the Account Holder is acting on behalf of a business, they may accept the Framework Agreement by any other means. In such a case, the Account Holder must have carefully read, understood and accepted the Framework Agreement in its entirety.

3.4 - Acceptance/refusal to open a Payment Account

LEMON WAY may refuse to open a Payment Account for any reason without having to justify their decision. Such a refusal shall not result in the payment of damages.

Subjected to the express and written authorisation of the legal representative, the minor under eighteen (18) years old may open a payment account.

The required identification documents shall be those of the legal representative who has given his or her express and written authorisation.

The Partner Website may inform the Account Holder by email of LEMON WAY's acceptance or refusal to open their Payment Account. As soon as their request to open a Payment Account has been accepted, the Account Holder will be able to log into the Partner's Website to check that their Payment Account is open.

4- CREDITING A PAYMENT ACCOUNT

4.1 - By cheque, bank transfer or card

Regarding the supply of money by endorsed checks into the Payment Account, we hereby inform the Account Holder that the aforementioned endorsed checks are processed by a subcontractor.

As soon as the account has been opened in their name by a third party payment services provider, the Account Holder may begin paying money into its Payment Account by bank transfer, endorsed checks made payable to LEMON WAY or by bank card, with a view to transferring the funds by credit transfer to the Payment Account of another Account Holder. These two payment Transactions are considered indissociable.

LEMON WAY may refuse to register a bank card or payment card or may, at any time, cancel the backup of such information as a security measure. In this case, the Account Holder must enter their bank card or payment card details each time they wish to pay money into their Account.

LEMON WAY may at any time refuse to accept an incoming payment from a high risk and non-cooperative jurisdiction in accordance with the FATF public statement; from countries considered as tax havens by the European Union; from persons appearing on the Unique Freeze List from the Directorate-General for the Treasury, the European Union Freez List and the FOCA Freeze List.

In order to protect the Account Holder, LEMON WAY sets credit ceilings, which may be more restrictive than the Account Holder's ceilings. LEMON WAY sets single ceilings per day, per month and per year, as well as all forms of restriction necessary to prevent fraud.

The Account Holder is hereby informed that any payment Transaction that is likely to surpass the ceilings applied will be automatically rejected by LEMON WAY.

For any Transaction made by bank or payment card that may entail an outstanding, rejected or blocked payment, LEMON WAY will automatically deduct the corresponding amount from the net balance of the Payment Account. If the net balance does not contain sufficient funds, LEMON WAY is authorised to use all necessary means against the Account Holder in order to recover the outstanding amount. Furthermore, LEMON WAY is entitled to refuse to carry out all future remittances made using the card that gave rise to the incident.

In addition, LEMON WAY will debit the Account Holder's Payment Account for rejected payment Transactions and other penalties that may be imposed by VISA or MASTERCARD.

4.2 - Deadline for registering funds on the Account

LEMON WAY will register the funds resulting from the acquisition of a payment Order by card or credit transfer as soon as possible, and no later than by the end of the working day they were received by LEMON WAY, in accordance with article 4.1.

5- DEBITING A PAYMENT ACCOUNT BY TRANSFER

5.1 - Initiating a payment Order

LEMON WAY provides a payment service that enables Account Holders with a Payment Account to instruct LEMON WAY to carry out a transfer, on the condition that the Account Provision is greater than the total transfer amount (fees included). In the event that the Provision is insufficient, the payment Order will be automatically refused.

The available Provision corresponds to the net balance of the Payment Account, excluding the blocked Provision and outstanding Transactions. The blocked Provision amount is determined by LEMON WAY in order to cover possible chargebacks arising from a stop payment Order. Such a stop payment order may take effect within 13 months of the debit being made on the Account.

The payment Order must include the following information:

- The amount in euros (€)
- The surname and forename of the Beneficiary;
- The number of the account opened with the Beneficiary's payment services provider.

The Account Holder recognises that the currency of its Payment Account is different to that of the Beneficiary's account, into which it is transferring the funds. As such, currency exchange charges will be deducted by the Beneficiary's payment services provider. The Partner and the Beneficiary's payment service provider are responsible for informing the Beneficiary of the fees and execution times before any acquisitions of Orders involving currency exchange charges are carried out. The Partner must communicate this information to the payer Account Holder

LEMON WAY shall not be held liable if the bank details sent for transfer requests are incorrect or not up to date.

5.2 - Irrevocability of a payment Order

In accordance with article 5.1, a payment Order effectively issued by an Account Holder is irrevocable once the single-use code has been entered, after which the Account Holder cannot request its cancellation.

It is hereby specified that the Account Holder may initiate a batch Order, including a transfer of funds by card (initiated in compliance with article 4.1 above) and a payment Order by transfer to the Payment Account of the Beneficiary selected on a given date. As explained in article 4.1, the payment Order will be deemed irrevocable as soon as the card details have been entered.

5.3 - Applicable standard in the identification of the Account Holder

The Account Holder is subject to the following standard:

- If the Account Holder is a private individual, they are hereby informed that LEMON WAY will ask the Account Holder to provide additional identification documents.
- If the Account Holder is a legal person, LEMON WAY will automatically request all the identification documents required prior to opening their Payment Account.

Any payment Transaction without identification documents will be automatically rejected by LEMON WAY. In the event of a risk of fraud, LEMON WAY may, at any time, activate other ceilings or blocks applied to Orders.

LEMON WAY reserves the rights to reverse a payment Transaction if the transfer of funds made by bank or payment card for the purposes of crediting the Payment Account is rejected or cancelled by the card issuer.

5.4 - Execution times

In accordance with the decree of 29 July 2009 and under article L.314-2 of the Monetary and Financial code, the maximum execution times for payment services are as follows:

- If it is made out in euros and intended for a credit institution located in a European Union member state, a payment Transaction initiated on a given working day will be executed by LEMON WAY no later than the following working day;

6- REPORTING

6.1 - By transaction

When a payment Transaction is carried out, LEMON WAY or the Partner Website automatically sends a Transaction confirmation email to the Account Holder who initiated the payment Order. This email contains

all information relating to the payment Transaction that was communicated to LEMON WAY, such as: the Beneficiary's identity, the payment Transaction description, amount, date and time, as well as the applicable payment conditions.

6.2 - Account statements

All payment Transactions are displayed within an account statement, which is updated in real time for each Payment Account. The Account Holder may consult their account statement through the Partner Website. The Account Holder will have access to the Payment Account statements, displaying all registered incoming and outgoing payment Transactions for this Account.

The consultation period lasts for two (2) years, in addition to the current year. LEMON WAY will keep all records and documents relating to the payment Transactions carried out on an electronic archiving medium for the statutory time limits.

7- CONTRACT DURATION AND DATE OF EFFECT

The Framework Agreement comes into effect for an indefinite period as soon as the Account Holder has accepted these terms and conditions.

If the Account Holder is a natural person or meets the requirements of article D 341-1 of the Monetary and Financial Code for legal entities, they have fourteen (14) calendar days to withdraw from the Framework Agreement, free of charge. This short time frame starts the day the Framework Agreement is concluded, that is to say the day the Account Holder accepts these General Terms and Conditions. Within this withdrawal window, the fulfilment of the Framework Agreement cannot start unless expressly requested by the Account Holder. The Account Holder expressly acknowledges and accepts that any payment instruction they send to LEMON WAY prior to the expiration of this withdrawal window, constitutes an express request for the fulfilment of the Framework Agreement. The Account Holder will therefore not be entitled to cancel any payment instructions they send and confirm during this withdrawal window.

The Account Holder may exercise their right to withdraw without penalty or need for justification.

The Account Holder must notify LEMON WAY of their decision to withdraw by sending a registered letter with acknowledgement of receipt to LEMON WAY's headquarters before the end of the fourteen-day window. If the Account Holder does not exercise their right to withdraw, the contract shall be maintained in accordance with the provisions of these General Terms and Conditions. Beyond this point, in order to terminate the Framework Agreement, the Account Holder must follow the termination conditions specified in article 19-.

LEMON WAY may amend the prices in Appendix A, subject to sending any form of notification to the Partner. The amendment may take effect within two months of the notification being sent to the Partner. If the monthly fraud rate exceeds 0.2% in volume, LEMON WAY may immediately amend the prices by simple notification or by terminating this contract in accordance with article 19-.

This decision shall be justified and notified to the Account Holder by any means possible. The purpose of suspending a payment Account is to protect the Account Holder and may not, under any circumstances, result in the payment of damages to the latter.

The payment Account will be reactivated at LEMON WAY's discretion.

Depending on the seriousness of the failure to comply with the Framework Agreement, and particularly if the Beneficiary has sold illegal products, LEMON WAY reserves the right to terminate the Framework Agreement in compliance with the provisions of article 19.

19- TERMINATION OF THE FRAMEWORK AGREEMENT

The Account Holder may automatically terminate the Framework Agreement, which will result in the closure of their Payment Account, by registered letter with acknowledgement of receipt, following compliance with a month's notice. They must maintain a sufficient Provision in order to ensure the completion of pending payment Transactions, until they have been resolved, and all outstanding fees have been paid.

LEMON WAY may automatically terminate the Framework Agreement, which will result in the closure of their Payment Account, by registered letter with acknowledgement of receipt, following compliance with a month's notice.

In the event of gross negligence by one of the Parties, the Framework Agreement may be terminated with immediate effect by simple written notification from the prevailing Party. Gross negligence by the Account Holder is understood to mean: communication of false information; engaging in illegal activity, contravening standards of public decency; money laundering or financing of terrorism; threats to agents of LEMON WAY or the Partner site; defaulted payment; failure to comply with an obligation of this contact; termination of relations between the Account Holder and Partner site; excessive debt or, for legal entities, the nomination of a special mediator and insolvency administrator to initiate rehabilitation or liquidation proceedings. Gross negligence by LEMON WAY is understood to mean: communication of false information; failure to comply with an obligation of these terms and conditions; the nomination of a special mediator and insolvency administrator to initiate rehabilitation or liquidation proceedings.

In the event of a modification to applicable regulations and their interpretation by the relevant regulatory authority that may affect the ability of LEMON WAY or its authorised representatives to carry out payment Transactions, the Framework Agreement will automatically be terminated. The Account Holder may no longer send payment Orders after the effective termination date. The Account may be maintained for a period of 15 months for the purpose of dealing with possible subsequent disputes and complaints. Payment Transactions initiated before the termination date will not be affected by the termination request and must be fulfilled under the terms of the Framework Agreement.

The termination of the Framework Agreement will result in the permanent closure of the Payment Account. The closure of a Payment Account will not give rise to any compensation, regardless of any possible damage caused by said closure. The Account Holder of the Account closed by LEMON WAY is not authorised, unless explicitly authorised by the latter, to open another Payment Account. Any Payment Account opened in violation of this provision may be immediately closed by LEMON WAY, without notice.

According to the Account Holder's instructions, the Provision on the Account Payment subject to closure may be credited to said Account Holder, subject to outstanding payment Transactions and possible receivables, rejected transactions or objections. If a successor is appointed by LEMON WAY, the Account Holder may be encouraged to close their Payment Account and transfer the Provision to a new Payment Account opened with the institution designated as a successor.

LEMON WAY reserves the right to bring legal action to repair the damage suffered due to a breach of the Framework Agreement. The closure of the Payment Account may result in additional fees, within the bounds of article L.313-13 of the Monetary and Financial Code.

20- MODIFICATION OF THE FRAMEWORK AGREEMENT

Any draft amendment to the Framework Agreement shall be communicated in paper or Email or durable form to the Account Holder no later than two (2) months before the date proposed for its entry into force.

If the Account Holder fails to communicate an objection to LEMON WAY by the end of this two (2) month deadline, the former is deemed to have accepted said amendments. If the Account Holder rejects the proposed amendment, they may freely terminate the Framework Agreement, by written request, before said amendment comes into effect. This request does not affect the debits (charges, contributions, payments) owed by the Account Holder.

21- GENERAL INFORMATION

Should administrative formalities be necessary for the fulfilment of these General Terms and Conditions, LEMON WAY and the Account Holder will provide each other with mutual assistance to regulate such formalities.

If one of the non-substantive stipulations of the Terms and Conditions is rendered null and void with regard to an effective rule of law, it will be deemed as not written, but will not invalidate these General Terms and Conditions.

No forbearance by either Party in relying on a breach by the other Party of any of its obligations under these terms and conditions shall be construed as a waiver of the relevant obligation for the future.

In the event of a difficulty in interpretation arising between any of the titles heading the clauses of the General Terms and Conditions, the titles will not be taken into account.

22- APPLICABLE LAW AND COMPETENT JURISDICTIONS

These General Terms and Conditions are governed by French law.

Unless contradicted by a mandatory provision, any dispute relating to their fulfilment, interpretation or validity shall, by default, be brought before the competent courts in Paris.
